Year Total: 30 credits					

Note: If Multicultural and International courses are taken under the General Education Domains the Total Credits are 120. NUTR 301 fulfills International requirement.

**Courses in red must be a grade of a B or higher. All other courses not requiring a B or higher from the above list will require a C or higher.

Program Policies:

G.P.A. must be 2.75 or above needed to apply for DPND program.

The last grade received for all courses at any institution will be the final grade of record.

<u>English Proficiency Test</u> – Students who are non-native English speakers must provide official test score for TOELF iBT demonstrating proficiency to the Health Sciences Advising Center. Acceptable score is 100 points or above. This is the only acceptable English proficiency test.

Credit Requirements:

Student must complete a minimum of 120 credits to graduate
Student must complete a minimum of 60 credits at a four-year institution
Student must complete last 30 credits in residency
Courses are outlined by departmental preference, prerequisite requirements, and common course rotations.
